Creative Communicator? Outstanding Organizer? Magnificent Marketer? We want YOU!

Project Title	Creative Communicator? Outstanding Organizer? Magnificent Marketer? We want YOU!
Project Summary	Populate educational and training program info on a new SharePoint site; communicate and market initiatives with creative social outreach tools; compile info for a quarterly newsletter; keep projects moving along and most of all, a contagious team spirit!
Country	United States

Project Description

All the initiatives and projects will revolve around pharmacy. Pharmacy is a career that requires professional personal development and one that mandates continual education and training. The pharmacy education advisory team is embarking on new innovative ways of communicating information and marketing strategies and become very efficient in the process. Be part of a team that is creative, likes to try new things and learn from one another.
